# MOUNTAIN ISLAND DAY SCHOOL

Registration for Piano, Guitar, Voice, Brass, Woodwind and Percussion Lessons

2016-2017

Our music program is associated with The Royal Conservatory Music Development Program, Music Teachers National Association, North Carolina Music Teachers Association, Charlotte Music Teachers Association, Charlotte Piano Teachers Forum and the American College of Musicians-National Guild of Piano Teachers. These professional affiliations allow students the option to participate in evaluations and competitions on a local, regional and national level.

There are thirty music lessons in the school year beginning after Labor Day and ending in May. We prefer that you commit for the full year (30 lessons). If circumstances are beyond your control and you need to discontinue, we ask that you complete the ten week term. The lesson fee is \$30 per lesson, billed by 7Keys Music three times per year (ten lessons each billing period). For special consideration for breaking payment into 5 week terms please speak with Crystal French. The cost of music books will be added onto the following billing cycle but can be paid at any lesson.

Lessons are thirty minutes each, once a week. No lessons are held on days when school is closed. Lessons are held on Parent/Teacher conference days. All lessons missed due to inclement weather and teacher cancellation will be made up. Lessons missed for other reasons can not be made-up.

Practice is an important part of the learning process. Students who take piano lessons will need to have a piano or weighted-key keyboard, with at least 76 keys, at home for regular practice. Students who take drum lessons or any other specialized instrument should have that instrument at home to practice with. Ideally, your child should be practicing their lesson assignment daily.

7Keys Music is not responsible for providing before or after care for students. Students are not to be left at the studio for excessive periods of time before or after their lesson. If you know you are going to be late for any reason, please text or call your teacher and let them know. After 5 minutes students will be sent to after school care and parents will incur an additional charge. MID or 7Keys Music will not be responsible for students left unattended after lessons.

A non-refundable deposit of \$30 is due with each registration form. The deposit will go towards the first 10 week term. Checks should be made payable to 7Keys Music and mailed to Crystal French at 18618 Outback Trail, Norwood, NC 28128. For more information contact Crystal at [7keysmusic@gmail.com](mailto:7keysmusic@gmail.com).

Thank you for your interest in private lessons. We look forward to working with you.
